AMEND Senate Bill No. 686

House Bill No. 65*

By deleting subsection (a) of Section 2 and substituting instead the following:

(a) A person commits dumping who knowingly disposes of waste or knowingly allows the disposal of waste on any public or private property in an amount exceeding one hundred pounds (100 lbs.) in weight or thirty (30) cubic feet in volume, unless the public or private property is a disposal site that has a valid permit issued by the department of environment and conversation. However, it is an exception to the application of this section if:

(1) The item or substance is on the property as the result of prior agricultural activity or is used or stored on the property for current or future agricultural purposes; and

(2) The owner or lessee of the property on which the item or substance is located has authorized the location of such item or substance on the property.
